

Betty Cornett

Betty Cornett was blessed to be born in a Christian home where she was taught to pray and study the Bible. Her family were active members of their local church and participated with their singing and music ministry; therefore it was only natural that Betty would be a singer/songwriter/musician.

She is married to Dr. Tim Cornett and they have one daughter and two grandsons.

Tim and Betty pastored for 15 years where they led an active outreach ministry church reaching an attendance of 800+ and missions were always emphasized. Betty directed an anointed Church Choir that traveled all over the southeastern USA singing and sharing the Word of God. This choir recorded four albums, and was featured on local radio stations in the Atlanta area where their songs were #1. During the first years they traveled to Europe in 1965 for seven months, and then into Central America for several crusades.

In 1978 the Cornetts began to travel in full time evangelistic ministry given clearly to begin working in Bulgaria. After many successful crusades, they founded a Bible College for the new converts. The mission work in Bulgaria has expanded to include humanitarian aid, orphanage homes, church planting, and Bible training.

Six years ago, television was opened to Cornett Ministries and Betty & Tim are regular hosts on "Atlanta Live" on TV57 (WATC) in Atlanta, GA. Also, the new program: "Cornett Ministries Presents" will feature teaching, interviews, missions, etc. Betty is Prayer Partner Coordinator and has organized the Prayer Ministry at TV57 where she has over 100 prayer partners to pray on the phones each night during the live telecast from 7 - 9 p.m. She is host of a monthly program "Seniors Today" which features inspiration and information for our senior citizens. This station has a potential audience of over 1 million people.

Betty has seven recorded singing tapes and CD's, and has written her first book - "Encounter With Angels" - a testimony of being rescued in a snowstorm in Bulgaria.

Betty loves the Lord with all her heart and loves people. She is motivated by God's love to reach people in all walks of life - no matter where they are. Having traveled now in over 85 countries, the lost people all over the world continue to bring a burning desire to win the lost at any cost.

If you ask Betty, what is next in your life? She will answer, "Where He leads me, I will follow".
